The tour begins at the now defunct Phuket airport, now known as Phuket Town, and finishes at the Pattaya Railway Station. Route See also List of attractions in Thailand References Category:Tourist attractions in ThailandShare with a friend Description Over 1 acre of fully fenced land, large house/fenced area for horses or cattle, a good amount of road frontage and very close to high schools and shopping, this is a great opportunity for a farm. It is on the market for $799,000. IDX information is provided exclusively for consumers' personal, non-commercial use and may not be used for any purpose other than to identify prospective properties consumers may be interested in purchasing. All information is deemed reliable, but not guaranteed. All properties are subject to prior sale or withdrawal. Contact the listing agent(s) for more details.Q: Powershell script will not write to CSV file I have a script which works perfectly when I manually run it. However, I wish to run it automatically, hence to test this, I wrote a powershell script which should just write to a file. But it does not write to the file, instead it runs and closes straight away. The following code is what I have tried: [void] $CreationDate = get-date $ThisFile = $CreationDate.ToString("ddMMyyyyhhmmss") $CompanyCode = $CreationDate.ToString("yyyy-MM-dd HH:mm") $ReverseCode = $CreationDate.ToString("yyyy-MM-dd HH:mm") $SRCAddress = $CreationDate.ToString("yyyy-MM-dd HH:mm") $DSTAddress = $CreationDate.ToString("yyyy-MM-dd HH:mm
